TAN TARA 2011 *The Vision*

Imagine stepping into the clubhouse and seeing the dining room fully furnished with new tables and chairs set upon a beautiful new carpet. Imagine stopping at the turn to a fully up-dated Halfway House. Imagine bringing your guests out on Summer's day to sit on a renovated patio complete with renewed furniture. You now have the opportunity to make all that you have imagined a reality. How can you help? Speak to ONE friend, family member, co-worker, someone that you would like to play golf with here at the club...And tell them why you love being a member and how this is the best time to join Tan Tara. Our goal is to hit 400 members by July 1st to begin making improvements immediately. All we need is for you to bring in ONE member candidate to get the ball rolling. It will only take 8 new members a week between now and July 1st to make it happen but we can't do it alone! Endorsed candidates have a 75% join rate...so why not fill the club with people you want to see here? When given the same opportunity in 2003 we were able to gain 125 new members to obtain our goal. We are only asking you to bring us 70! Join our Search for Seventy and help us build a better Tan Tara!

Membership News

Depending on how long you have been a Member here at Tan Tara, you may already know me from the Bag Room, the Halfway House or as recently the girl behind the Pro Shop Counter. Now I am introducing myself as the newest Membership Director. In addition to knowledge I have already gained here at the club, I have obtained valuable skills and experience working with Walt Disney World Company as a Campus Representative recruiting for the Walt Disney World College Program as well as being an intern for their International Public Relations department. I have also worked with the Buffalo Sabres in Public and Community Relations and recently graduated from Canisius with a Master in Sports Administration. I am happy to have the opportunity to take on the helm of the Membership Team here at Tan Tara and I look forward to seeing all of you in the Membership office with your referrals And even if you don't have referrals you can still stop by and say Hi!!

Thank You

Spring 2011 Golf Course Update

Well Spring had sprung for about 4 days in March and right back into Winter!
This year was a long hard winter at Tan Tara. We had snow cover for the majority of the winter and now into Spring. Even though it was a tough winter we made it through this year better than we have in the past 10 seasons. There was very little snow mold or ice damage to be noticed.

This is a result of newer more costly chemicals being used and the continued drainage work removing excess surface water.... But with this time of year we must be reminded that there will be frost delays and this link listed below from USGA why it's important to stay off the course during this time.

<http://www.usga.org/turf/articles/video/frost.html>

Also with this time of year comes a frequent change in cart rulings, so please follow the numerous postings around the course. Specific cart rulings and course updates will be posted on our new Daily Board located in the score area outside the pro shop. And lastly, many of you know Tom Ray as a long time employee of Tan Tara. Tom has recently been diagnosed with pancreatic cancer and will start treatment very soon. If you would like updates or his contact info please let me know.

Thank you and see you on the course.

As always, Thank You for being a member here at Tan Tara, I hope to
see you all soon

Ambassador Committee Update

I would like to take this opportunity to welcome all of our new Members to Tan Tara. Please stop by or call for appointments. 998-3610

TIP OF THE MONTH

When playing early season golf in wet cold conditions it's important to take an extra club and swing smooth!!.

When putting play less break and hit the putts firm. After a nice winter break in Texas I am looking forward to another season at Tan Tara. Don't forget to get your candidates to Staci and feel free to stop by and have a chat with me.

Thank You
Adam Williamson
